

BIA/OC Government Affairs Presents...

The Future of Development *in Orange County*

A conversation with Elected Officials

Thursday, June 30th, 2016 • 8:00 a.m. - 10:00 a.m. • Irive City Hall - Council Chambers

The BIA/OC Government Affairs Committee is hosting an informative workshop and interactive discussion related to the Future of Development in Orange County. We will be exploring how our county has changed over the years and what the future looks like, how we can meet housing demands with the available space, and how our infrastructure will accommodate future growth.

We will also discuss what cities are considering as they update their general plans, responding to the concerns of local residents, and what future products will look like.

Program Featuring....
