

Pacific Medical Clinic in Brookhollow now has FLU SHOTS

\$25.00 PER PERSON WHILE SUPPLIES LAST

ALERT: The State of California recorded about 1,500 cases through July 13 - a fivefold increase over the same period last year. www.cbsnews.com

Whooping cough (also known as Pertussis) is a highly contagious bacterial infection that attacks the respiratory system. It is preventable by vaccination, which is why Pacific Medical Clinic is offering the Tdap vaccine.

Tdap Vaccine -\$50.00 per person

No appointment necessary
